

VACCINES IN THE WORKPLACE

WHAT YOU NEED TO KNOW THIS WEEK

With BC exceeding its vaccination targets, regulations lifting and the reintegration of employees to the workplace, employers are now faced with trying to navigate the changing dynamic of vaccines and the workplace. We anticipate that changes to legislation could happen on short notice and have created this Round-Up to help employers stay informed in a situation that is so rapidly evolving.

Here are a few important things I thought worth sharing this week:

IN THE NEWS

Canada

1. SLAPP lawsuits being used by anti-vaccine groups to keep critics quiet, says lawyer – [CBC – July 6, 2022](#) - read the article [here](#).
2. Unvaccinated Manitoba health-care workers launch lawsuit against province, top officials over vaccine policy – [CBC – June 29, 2022](#) - read the article [here](#).
